Support the GCM PTSA Non-Fundraiser

The Marshall PTSA is asking for a one-time donation for the 2010-2011 school year. Your contribution will provide support for student assemblies, technology resources, teacher wish lists, student awards, newsletters and student directories. Moreover, it will support teacher appreciation luncheons, student organizations like DECA, the model UN, and FBLA, and other student activities throughout the school year.

We are suggesting a donation of \$25 per student, although we will appreciate any amount that you may wish to contribute. Your donation is 100% Tax Deductible. Please make the check out to **GCM PTSA**. (Please note that this donation is separate from the PTSA membership dues) Any amount over the dues amount will be considered a donation. We realize your time is precious. This can be a generous substitute in lieu of volunteering.

Thank you for your support of the GCM PTSA!
